# The Ultimate Moving Out Guide

## Checklist for Getting Your Deposit Back

- Read your most recent tenancy agreement to see if it says anything about how your landlord/letting agent could make deductions
- Go over the inventory/check in report to see how your property looked when you first moved into it or ask your landlord/letting agent for a final inspection checklist
- Check all appliances work - fridge, freezer, oven etc
- Repair any holes, scratches or marks
- Clean the property to the standard you found it when you first moved in
- Take all your personal belongings with you
- Remove any last minute rubbish that may be lying around
- If your landlord/letting agent does deduct money from your deposit, you can question them about it
